

Facts about Fees 2025-26

Our fees for the Academic Year beginning in September 2025 are as follows:

Table of Fees 2025-26		
Programme	Notes	Fees Payable
Certificate of Higher Education	A TWO year programme and is identical to the first two years of the BA.	£4,550 per annum
BA	A SIX year programme leading to a BA in Kingdom Theology. (The first two years are identical to the CertHE).	£4,550 per annum
Graduate Diploma	A TWO year programme leading to a Graduate Diploma in Kingdom Theology. If a student opts to withdraw after ONE year they will receive a Graduate Certificate. Students can choose between continuing on the GradDip in Kingdom Theology, or moving to the Church Planting and Leadership track at the end of their first year of study.	£4,550 per annum
MA	MA (Option 1) A TWO* year taught programme plus a dissertation leading to an MA in Kingdom Theology. (If a student opts not to complete the dissertation, they will receive a Post Graduate Diploma.)	£4,300 per annum plus a Dissertation fee**
	Extended MA (Option 2) A THREE* year taught programme plus a dissertation leading to an MA in Kingdom Theology.	£3100 per annum** plus a Dissertation fee***

* Most students write their dissertation after having studied the taught element, taking longer than two years to complete the degree. Some students also spread the taught element of the MA over THREE years rather than TWO. The cost of this Extended MA is **2 years fees + the accommodation costs for additional Residentials attended.**

** This fee is held for students completing the three-years taught element as continuous study. If students take a break during this taught element, IoS conditions apply and fees will be charged at the level they are when the student returns to studying.

***The **dissertation fee** for both MAs is payable at the start of the academic year when the student registers for the dissertation module. The fee will be determined in the year in which this occurs. For reference, **the 2025-26 rate is £1,000.**

How much will fees go up?

All WTC programmes are part time (50%) and WTC commits to keeping the fee level the same for each 2 year consecutive period of study for each student e.g. Graduate Diploma students starting in 2025-26 and completing their programme with no break will have the same annual fee rate for both level 6A and 6B to complete this programme of study.¹ However fees increase each year for incoming students starting a new programme of study that year.

WTC follows the Higher Education sector recommendations on fee increases. This means that any future fee increases will be in line with UK inflation. Because WTC holds fees for each consecutive two-year period of study on one programme, BA students (whose programme will take 6 years (at 50% each year), will have fee increases in years 3 and 5. These will not exceed more than the previous two years CPIH.²

Extended MA Fees, p.a		
Study Structure	Credits	Total Fees Payable
Year 1: 2 Modules 2 Residentials	40 credits	£3,100
Year 2: 2 Modules 2 Residentials	40 credits	£3,100
Year 3: 2 Modules 2 Residentials	40 credits	£3,100

Individual MA Module Fees

For students studying [individual MA modules](#), the fees depend on the number of modules being taken and whether these are taught over one or two Residentials. For those completing their modules in 2025-6, the fees are below. *If you choose to study the module over more than one year, the fees will increase annually in line*

What do the fees cover?

The fees cover all tuition costs, programme materials, and full board and accommodation at the two Residentials per academic year. All University validation fees, access to your Hub library and online journals to which WTC subscribes are also included. Fees also include a folder of lecture notes for first year undergraduate students (i.e. brand new students) at their *first Residential only*. Folders for subsequent Residentials and new MA students need to be printed by students.

The fees do *not* cover the cost of travel to and from Hub nights or travel to and from the Residentials. If students choose to spend an additional night at Nottingham University before or after the Residentials, this is at the student's own

expense.

For MA students the cost of the dissertation is payable at the start of the academic year in which you register for the dissertation module. This could be immediately after students complete their taught element, or at a later point within the permitted time frame to complete the MA. The fee will therefore be determined in the year in which you register. For reference, the 2025-26 rate is £1,000.

For the Graduate Diploma Church Planting and Leadership (CPL) track, the programme fees cover the cost of the Mini-Residentials in your second year, including meals and accommodation during the Mini-Resi, but *not* the travel to and from the Mini-Resis or the cost of any additional nights spent enroute or at the venue.

How are the fees charged?

An acceptance fee/deposit of **£400** is required to confirm a place on a WTC programme. This is payable once you have been offered a place on the programme for which you have applied. Your place will not be confirmed until the deposit is received. The deposit is non-refundable but will be offset against the balance of your fees.

Students have the right to cancel and receive a full refund of tuition fees within a 14 day period from enrolment at WTC, which takes place on day 1 of your first Residential. You will still incur the costs of the accommodation and catering fees at the Residential, hence the £400 deposit being non-refundable.

Payment options for the remainder of your fees are as follows:

- **Pay monthly** in ten instalments (which incurs a £100 administration fee per academic year) with the **first payment due by 31 August** before the start of the academic year, and with the **final instalment due by 31 May** at the end of the academic year.
- **Pay termly** in three instalments (which incurs a £75 administration fee per academic year) due by **31 August** before the start of the academic year, and **31 December** and **31 March** of the academic year in question.
- **Pay in full** by **31 August** before the start of the academic year, and incur no administration fee.

NB: If you are studying on the Extended MA and would like to pay in instalments, please contact us (finance@wtctheology.org.uk) to discuss an individual payment plan. An administration fee will also apply as above.

The payment terms (In Full, Termly, Monthly) are agreed with the student during the application process. Should you wish to change payment terms once the programme has started, this can be done by submitting a Payment Terms

Change Request through the MyWTC portal. Depending on how far into the academic year this payment term change request is received, it may not be possible to change payment terms for that academic year, or an additional fee may apply.

Any fees that are more than 60 days overdue could result in suspension from the programme. If fees are not paid in full by 1 June each year, no academic award will be made until payment is received in full.

If you are struggling to keep up your fee payments, please contact the Finance Team who will agree a realistic payment plan with you to enable you to continue your studies.

Can I apply for a WTC bursary?

WTC has two small bursary funds – the Principal’s Bursary Fund (for those with a recent history of offending or addiction), and a means tested General Bursary Fund. Please click **here** for more details about each fund, and the criteria for applications. You can apply for these bursaries when you complete your application form to study and by requesting an application form from the Finance Team for subsequent years.

WTC bursary applications are considered on or around 30th April, 31st May, 30th June and 31st July. This means that you may not necessarily hear from us about your application until shortly after the next of those dates.

A General Bursary award of up to 40% can be applied for by students on the CertHE or BA programmes, and up to 20% for GradDip students. [Other criteria apply](#). There are currently no WTC bursaries for the MA.

Both WTC bursaries are awarded on an annual basis, and you can apply each year you meet the criteria.

If you think you are eligible to apply for any of these funds and need assistance, please contact our Finance Team (finance@wtctheology.org.uk) and we will help you with information and/or forms.

Can I apply for a student loan?

WTC students cannot access government student finance through the Student Loan Company.³ However, WTC has partnered with Kingdom Bank, a private, Christian bank to provide student loans. Kingdom Bank along with WTC will assess your application and only eligible applications would be approved. The assessment would also include carrying out a credit search to assess credit worthiness. Visit <https://wtctheology.org.uk/student-loans/> for more information.

³ WTC has applied for registration with the Office for Students. If granted, WTC students would become eligible for government student finance. We will update students and applicants on this decision when we receive it from the Office for Students.

NB: A £75 administration fee applies where students take a loan from Kingdom Bank. (This replaces the termly payment plan administration fee).

Applications for Disabled Students Allowance (DSA)

As WTC students are not currently eligible for government student loans, they are not eligible for DSA.

I really want to do the programme but I am not sure I can afford it. What do you suggest?

Many WTC students have some financial help to pay fees. There are many creative ways that they find to pay their programme fees. Here are a few ideas:

- Ask your friends and family for support.
- If you are in employment, ask your employer if they would be willing to cover a proportion of your programme fees. Many employers are committed to Continuing Professional Development and are happy to help.
- There are a number of grant making trusts which have supported WTC students in the past. The details for some of these can be found [on our website](#).
- If you are involved in any form of church service, ask your church if they would be willing to help. (They may not be able to support you financially, but may be able to give you an opportunity to talk about your desire to study. We find that this often opens up other avenues of support.)
- Some churches pay a contribution to the cost incurred by members undergoing relevant training, even where they are not currently involved in church service.
- Think of creative ways to raise the money through doing something for sponsorship, i.e. run a marathon or host a sponsored event.
- Apply for a WTC Bursary if you meet the criteria.
- Crowd-fund to help pay for fees.
- And last but by no means least, PRAY. God wants you to study, and he will help you find a way. Ask him to show you how and be brave and approach people for help!

Are there other costs that I should consider?

You should consider the costs of getting to your Hub approximately twenty times per year.

The costs of travel to and from the Residentials are not included in fees. WTC Residentials are held at the Jubilee Campus, University of Nottingham. Similarly, costs of travel to and from the Mini-Resis for CPL students are not included.

If you are travelling from a distance and would like to arrive the night before the Residential begins, or would like to stay an extra night at the end, you are usually able to arrange extra nights' accommodation in the same venue which you will

need to pay for. The cost of this should not be more than £90 per night.

What if my circumstances change during the year and I am struggling to pay my fees?

Please talk to us! We are keen to work out a way in which you can carry on with your studies by setting up a payment plan which is realistic, and which would enable you to do this.

What happens if I start the programme and then want to withdraw?

If you withdraw from your programme before completing a full year, you will be required to pay the full term's fees for the term in which notice is given, plus a **£100 administration fee**. Please see the table below for further details.

To avoid the following term's fees becoming due, notice should be given no later than the date by which fees for the following term are payable.⁴ If you decide to withdraw after having paid the full year's fees, an appropriate reimbursement will be made by WTC after deducting the amount due from you.

What happens if I want to apply for an Interruption of Studies (IoS) or to defer my studies?

It is possible to take a study break mid-way through your programme.

Students taking an **IoS** will be charged **£250 each year** of their IoS. This is made up of £100 admin fee and £150 for continued access to:

- MyWTC, Moodle, and online/library resources
- 1 x 30 min meeting with a Faculty member
- 2 x 30 min meetings with the Learning Development Tutor

If the IoS is taken after May 31st in any academic year, no charge will be made until the start of the next academic year (1st August) when the resources and meetings with Faculty or the Learning Development Tutor will become available for the new academic year.

IoS fees are waived for students in receipt of the PBF for the first year of their IoS. After that, if they wish to continue to access the resources and support, they need to pay as above.

Students enrolled with Chester University will lose access to all Chester online resources, as their enrolment has been suspended with the University for the period of the IoS.

If you return to your studies the following academic year, you will pay the fee level you would have paid if you had not taken an IoS. If you re-commence your studies later than the following academic year, you will pay the current fee level on your

Foundations in Kingdom Theology Course (FC) which is unaccredited. Check out the [website](#) or prospectus for details of the two tracks by which people can study the FC.

(i) LiveFC: This track is aimed at individuals. The fees for the FC are £1,000, and are payable up front, and this can be paid via bank transfer or via debit/credit card through Stripe. A payment processing fee may apply for card payments.

(ii) Church Edition FC: This track, which will be available from September 2025, is designed for church groups e.g. interns, staff groups or small groups. The course fee for this track is per student rather than a group rate. Contact operations@wtctheology.org.uk to find out more details.

Which currency can I pay in?

We can only accept payment in sterling. Direct bank transfers are preferred, however we can accept card payments via Stripe if absolutely necessary.
